## From Jerusalem to Jericho

Luke 10:25-37

### 1. Is it ever okay not to love?

Christ wants us to love in all situations.

### 2. How do we love those we struggle to love?

We must learn to see them how God sees them.

### 3. Can we even speak the names of those we don't love or find hard to love?

#### The Bottom Line:

God helps us love our neighbor

How?

By helping us understand that the verb of love always comes before the feeling of love!

Love shows up!
